MESSAGE FROM THE PRESIDENT

As we enter the coldest months of the year, I have found myself reflecting on how far we have come as an association. From humble beginnings in 1989, our association has had its shares of ups and downs. Here we are in mid 2022, and our membership numbers are still in excess of 200, but gradually dwindling.

What more can we do to rejuvenate our beloved club? How can we attract and retain the younger population of Eurasians? This is our primary challenge over the next few months. We are hoping to find the golden, elusive answer.

In the meantime, we shall continue with our monthly Sunday gatherings, filled with lots of delicious food, wonderful music and lasting friendships. We are grateful for our valued members and always encourage more friends to join.

Thank you everyone for your ongoing support.

Yours sincerely,
Kay Klass - President

A time to say goodbye ...

Carol Richards

If we had to choose one word to describe this fair lady, that word would be STALWART. We have had the privilege of many years of dedicated service from Carol Richards, who joined the committee of AEAWA as Treasurer, sometime in 2010.

Carol served, meticulously, in that role for four years.

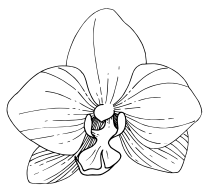

In 2015, Carol then stepped up to the position of President, where she presided for another four successful years. In 2019, Carol continued with her tour of the AEAWA Management Committee, by taking on the role of Secretary. Never missing a beat, Carol has done more than her designated share of duties over the years. Any loose ends (and as we know ... there are always loose ends!) were always picked up and finished off efficiently.

Carol, we will miss not having you on the Management Committee, but we know that you will still be an active member of the Eurasian community and AEAWA ... and we are happy about that. We wish you every happiness in your future endeavours and sincerely hope you enjoy the free time.

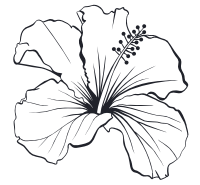

Thank you, Carol xxx

OUTREACH PROGRAM

The AEAWA Outreach program, the brainchild of Robert Harding, commenced in mid 2021. Since then, the committee of volunteers has made several very enjoyable and much appreciated visits to both our current members and even some past ones. It has been slow due to ongoing Covid restrictions, and we are on a temporary hold due to the current Covid outbreak, however, we are determined to continue on with the goals in mind.

Here are some of the sharing/caring activities we hope to provide:

- transport by giving lifts to anyone living far from any AEAWA events;
- nursing home visits;
- home visits;
- coffee chats

If you, or anyone you know, would be interested in being part of the outreach team, or would like a visit please get in touch with us.
