MESSAGE FROM THE PRESIDENT

Wow! I cannot believe how time is flying. We farewell a very cold winter and spring into Spring.

Have you noticed our new look newsletter? We are always working hard at keeping it as informative and enjoyable to read, as possible. In saying this, we would be happy to announce the introduction of some different segments. The first of these is a fun section with some puzzles and lighthearted jokes. The second is paid advertising, including classifieds. This new feature is available to everyone and we are mindful about keeping our rates very reasonable. If you are interested, please contact us via email or telephone.

Please also note our new email details and website address. Thank you everyone for your ongoing support.

Yours sincerely,
Kay Klass - President

CARING FOR MEMBERS

PROJECT REMINISCING

Do you have any stories from the old days? Would you love to share them with us? Please - we really want to hear what you have to share.

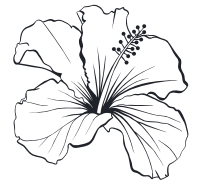

What next:

Simply write your story. It doesn't have to be long - just interesting. If you have someone who can type it up for you that would be great, but not necessary. After we gather up these wonderful pieces of history, we hope to print them into a booklet to be shared to all our members.

Just one A4 page per story.

The Eurasian

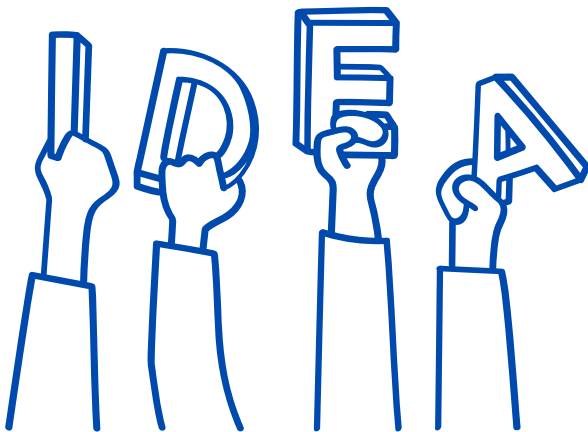

All of us here at the Eurasian Association wish to extend our deepest condolences to anyone who has lost a family member or dear friend, over the past month.

It is a difficult time, but take comfort in knowing that the Soul is eternal.

And ever has it been known that love knows not its own depth until the hour of separation

~ Khalil Gibran

GOLDEN GALS

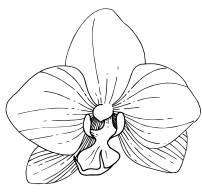

Three elderly sisters, aged 92, 94 and 96, shared a house together. One evening, the 96-year-old sister went upstairs to take a bath. As she put her foot into the tub, she took a lengthy pause. She yelled down to her two other sisters and asked, "Was I getting in the tub or out?" The 94-year-old sister let out a groan and said, "You silly old bat! I'll come up and see." When the second sister got halfway up the stairs she paused and yelled downstairs, "Was I going up the stairs or down?" The 92-year-old sister was sitting at the kitchen table drinking a cup of tea and thought, "I hope I never get that forgetful, knock on wood." She shook her head and called out, "I'll be up to help you both as soon as I see who's at the door."
